

Recommended Course Sequence for Computer Science at WKU (Effective from Fall 2020)

Notes:

¹ COMM 3590 and TECH 3525/3910 are highly suggested to fulfill the free-elective requirement. Student may choose other free electives at level 3000/4000.

² At least **five** CPS electives are needed for the BS degree.

³ Student may choose CHEM 1083 & 1084 for Lab Sci. 1 & 2 respectively, or BIO 1000 & 1300.

Students who are proficient in English may take HIST 1062, COMM 1402, GE Humanity and GE Soc. Sci. earlier than planned.
